

Fill in the gaps

I had a way then	The only time I (15) safe
Losing it all on my own	You show the (16) that stop me turn to stone
I had a (1) then	You (17) it when I'm alone
But the (2) has been overthrown	And so I tell myself that I'll be strong
And I'm not sleeping now	And (18) when they're gone
The (3) is too hard to beat	'Cause they're calling, calling, (19) me
And I'm not (4) up	home
The strength I need to push me	Calling, calling home
You show the lights that stop me turn to stone	You (20) the lights (21) stop me turn to
You (5) It when I'm alone	stone
And so I tell myself that I'll be strong	You (22) it when I'm alone
And dreaming (6) they're gone	Lights, lights
'Cause they're calling, calling, (7) me home	You show the lights that (23) me (24) to
Calling, calling home	stone
You show the lights that (8) me turn to stone	You shine it when I'm alone
You shine it (9) I'm alone	And so I tell myself that I'll be strong
Noises, I (10) my head	And (25) (26) they're gone
Touch my own skin	'Cause they're calling, calling, calling me home
And (12) they'll still be there	Calling, calling home
And I think (13) to when	You show the lights that (27) me turn to stone
My (14) and my sister slept	You shine it when I'm alone
In an unlocked place	Home, home
	Lights, lights, lights
