Fill in the gaps

Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We fall into the river	Anything could happen
Cover your eyes	Anything could happen
So you don't know the secret	Anything could happen
I've been trying to hide	Anything could
We (1) our breath	Baby, I'll give you everything you need
To see our (2) are written	I'll give you everything you need (oh)
On the wreck of '86	I'll (10) you everything you need
That was the year	But I don't think I need you
I knew the panic was over	I know it's gonna be
Yes since we found out	I know it's gonna be
Since we found out	I know it's gonna be
That anything (3) happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything (4) happen	I know it's gonna be
Anything (5) happen	I know it's gonna be
Anything could happen	I know it's gonna be (oh)
Anything could happen	
Anything could	(But I don't think I need you)
After the war we said we'd fight together	
I (6) we thought that's just what	(But I don't think I need you)
(7) do	
Letting darkness grow	(But I don't think I need you)
As if we need its palette and we need its colour	
But now I've seen it through	(But I don't think I need you)
And now I (8) the truth	
That anything (9) happen
