## Fill in the gaps

### Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We (1) into the river	Anything (13) happen
Cover (2) eyes	Anything could happen
So you don't know the secret	Anything could happen
I've been trying to hide	Anything could
We held our breath	Baby, I'll (14) you (15)
To see our names are written	you need
On the wreck of '86	I'll (16) you everything you need (oh)
That was the year	l'll (17) you (18) you
I (3) the panic was over	need
Yes since we (4) out	But I don't think I need you
Since we (5) out	I know it's (19) be
That (6) could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything could happen	I know it's (20) be
Anything (7) happen	I know it's (21) be
Anything could	I know it's (22) be (oh)
After the war we said we'd fight together	
I (8) we thought that's (9) what	(But I don't think I (23) you)
humans do	
Letting darkness grow	(But I don't think I need you)
As if we (10) its palette and we (11) its	
colour	(But I don't (24) I need you)
But now I've seen it through	
And now I know the truth	(But I don't think I need you)
That anything (12) happen	
Anything could happen
