I swear it's true

Fill in the gaps

Fall For You by Secondhand Serenade

The (1) thing about tonight's that we're not fighting	Because a girl like you is impossible to find
Could it be that we have been this way before	It's impossible
I know you don't think that I am trying	So breathe in so deep
I know you're wearing thin down to the core	Breathe me in
But hold your breathe	I'm yours to keep
Because tonight will be the night that I will fall for you	And hold onto your words
Over again	Cuz (4) is cheap
Don't make me change my mind	And remember me tonight
Or I wont live to see another day	When your asleep
I swear it's true	Because (5) (6) be the night
Because a girl like you is impossible to find	(7) I will fall for you
Your (2) to find	Over again
This is not what I intended	Don't make me change my mind
I always swore to you i'd never fall apart	Or I wont live to see (8) day
You always thought that I was stronger	I swear it's true
I may of failed	Because a girl like you is impossible to find
But I have loved you from the start	Tonight will be the night that I will fall for you
Ohhhh	Over again
But hold your breathe	Don't make me change my mind
Because tonight will be the night (3) I will fall for	Or I wont live to see another day
you	I swear it's true
Over again	Because a (9) like you is impossible to find
Don't make me change my mind	Your impossible to (10)
Or I wont live to see another day	

- 1. best
