I swear it's true

Fill in the gaps

Fall For You by Secondhand Serenade

The best thing about tonight's that we're not fighting		Because a girl like you is impossible to find
Could it be (1) we have been this way before		It's impossible
I (2) you don't think that I am trying		So breathe in so deep
I know you're wearing thin down to the core		Breathe me in
But hold your breathe		I'm yours to keep
Because tonight will be the night (3) I will fall for		And hold (7) your words
you		Cuz talk is cheap
Over again		And remember me tonight
Don't make me change my mind		When your asleep
Or I wont live to see another day		Because (8) will be the night that I will fall
I swear it's true		for you
Because a girl like you is impossible to find		Over again
Your impossible to find		Don't make me change my mind
This is not what I intended		Or I wont live to see another day
I always (4) to you i'd never fall apart		I (9) it's true
You (5)	(6) that I was	Because a girl like you is (10) to
stronger		find
I may of failed		Tonight will be the night that I will fall for you
But I have loved you from the start		Over again
Ohhhh		Don't make me change my mind
But hold your breathe		Or I wont live to see another day
Because tonight will be the night that I will fall for you		I swear it's true
Over again		Because a girl like you is impossible to find
Don't make me change my mind		Your impossible to find
Or I wont live to see a	nother day
