Your Love Is A Lie by Simple Plan

Or try to make it right

Fill in the gaps

I fall asleep by the telephone	And don't waste your breath because it's too late
It's two o'clock and I'm waiting up alone	It's too late
Tell me where have you been	You can tell me that there's nobody else
I found a note with another name	(But I feel it)
You (1) a kiss but it just don't feel the same	You can tell me that you're (8) by yoursel
'Cause I can feel (2) you're gone	(But I see it)
I can't bite my tongue forever	You can look into my eyes and pretend all you want
While you try to play it cool	But I know I know
You can hide behind (3) story	Your love is just a lie! (lie!)
But don't take me for a fool	Lie! (lie!)
You can tell me that there's (4) else	It's nothing but a lie! (lie!)
(But I feel it)	Lie! (lie!)
You can tell me that you're home by yourself	You're nothing but a lie!
(But I see it)	You can tell me that there's nobody else
You can look into my eyes and pretend all you want	(But I feel it)
But I know I know	You can tell me that you're home by yourself
Your love is just a lie! (lie! lie!)	(But I see it)
It's nothing but a lie! (lie! lie!)	You can look into my eyes and pretend all you want
You look so innocent	But I know I know
But the guilt in your voice gives you away	Your (9) is just a lie!
Yeah, you know (5) I mean	I know you're nothing but a lie! (lie!)
How does it feel (6) you kiss	Lie! (lie!)
When you know (7) I trust you?	You're nothing but a lie! (lie!)
And do you think about me	Lie! (lie!)
When he touches you?	Your love is just a lie!
Could you be more obscene? (be more obscene?)	
So don't try to say you're sorry
