

## Fill in the gaps

I fall asleep by the telephone	And don't waste your breath because it's too late
It's two o'clock and I'm waiting up alone	It's too late
Tell me where have you been	You can tell me that there's nobody else
I found a note with another name	(But I feel it)
You blow a kiss but it just don't feel the same	You can tell me that you're home by yourself
'Cause I can feel that you're gone	(But I see it)
I can't bite my tongue forever	You can (7) into my eyes and pretend all you want
While you try to play it cool	But I know I know
You can hide behind your story	Your love is (8) a lie! (lie!)
But don't take me for a fool	Lie! (lie!)
You can tell me that there's nobody else	It's nothing but a lie! (lie!)
(But I feel it)	Lie! (lie!)
You can (1) me that you're home by yourself	You're (9) but a lie!
(But I see it)	You can tell me that there's nobody else
You can (2) into my eyes and pretend all you want	(But I feel it)
But I know I know	You can tell me that you're (10) by yourself
Your love is just a lie! (lie! lie!)	(But I see it)
It's nothing but a lie! (lie! lie!)	You can look into my eyes and pretend all you want
You (3) so innocent	But I know I know
But the guilt in your voice gives you away	Your love is just a lie!
Yeah, you know what I mean	I know you're nothing but a lie! (lie!)
How does it (4) when you kiss	Lie! (lie!)
When you know that I trust you?	You're nothing but a lie! (lie!)
And do you (5) about me	Lie! (lie!)
When he touches you?	Your love is just a lie!
Could you be more obscene? (be (6) obscene?)	
So don't try to say you're sorry	
Or try to make it right
