

Fill in the gaps

Something More by Secondhand Serenade

lie (1) again, my bodies feeling paralysed	There must be something more,
cant remember when	Do we know what (15) fighting for?
didnt live (2) this disguise	Breathe in breathe out
The (3) you said to me	And all these (16) we wore
They couldnt set me free	We never knew what we had in store
m stuck (4) in this (5) i didnt ask for	Breathe in breathe out
There must be (6) more,	I (17) everyone and now (18) will
Do we know what were fighting for?	become?
Breathe in breathe out	I have to (19) this over
And all these (7) we wore	I have to start this over
We never (8) what we had in store	There must be something more,
Breathe in (9) out	Do we (20) what were fighting for?
The storm is (10) in	Breathe in breathe out
The thunders loud it hurts my ears	And all these (21) we wore
m paying for my sins	We never (22) what we had in store
And its gunna rain for years and years	Breathe in breathe out
fooled everyone and now what (11) i become?	There must be (23) more
(12) to start this over	Breathe in breathe out
have to (13) over	There must be something more
