

Fill in the gaps

If I die young bury me in satin	The sharp knife of a (8) life, well
Lay me down on a bed of roses	I've had just enough time
Sink me in the river at dawn	So put on your best boys and I'll wear my pearls
Send me away with the (1) of a love song	What I never did is done
(Oh oh oh oh)	A penny for my thoughts
Lord make me a rainbow	Oh no I'll sell them for a dollar
I'll (2) down on my mother	They're worth so much more after I'm a goner
She'll know I'm (3) with you	And maybe then you'll hear the words I been singing
When she stands under my colors	Funny (9) you're dead how people start listening
(Oh) and	If I die (10) bury me in satin
Life ain't always what you think it ought to be, no	Lay me down on a bed of roses
Ain't even grey, but she buries her baby	Sink me in the river at dawn
The sharp knife of a short life, well	Send me away with the words of a love song
I've had just enough time	(Oh oh)
If I die young bury me in satin	The ballad of a dove
Lay me (4) on a bed of roses	(Oh oh)
Sink me in the river at dawn	Go with peace and love
Send me away with the words of a love song	Gather up your tears, keep 'em in your pocket
The sharp knife of a short life, well	Save them for a time
I've had just (5) time	When your really gonna need 'em (oh)
And I'll be wearing white	The sharp knife of a short life, well
When I come into your kingdom	I've had just enough time
I'm as green as the ring on my (6) cold finger	So put on your best boys
I've never known the loving of a man	And I'll wear my pearls
But it sure felt nice when he was holding my hand	
There's a boy here in town (7) he'll love me forever	
Who would have thought forever could be severed by
