

Fill in the gaps

A (1) to crash	For better for worse
I got you	I got you
No (2) to ask	Go (13) and say goodbye (go ahead)
I got you	I'll be alright (say goodbye)
Just get on the phone	Go ahead and make me cry
I got you	I'll be alright
Come and pick you up	And when you need a place to run to
If I have to	For better for worse
What's weird about it	I got you
Is we're (3) at the end	'Cause this is love and life
And mad about it	And (14) we can both control
Just (4) it out in my head	(I got you)
I'm proud to say	And if it don't (15) right
I got you	You're not losing me by letting me know
Go (5) and say goodbye	(I got you)
I'll be alright	Go (16) and say (17) (say
Go ahead and (6) me cry	goodbye)
I'll be alright	I'll be alright
And when you (7) a place to run to	Go ahead and make me cry
For better for worse	I'll be alright
I got you	And (18) you (19) a (20)
I got you	to run to
I got you	For better for worse
Ain't falling a part, or bitter	I got you
Let's be bigger than (8) and remember	Go (21) and say goodbye (go ahead)
The (9) outdoor when you're all alone	I'll be alright (say goodbye)
We'll go on surviving	Go (22) and make me cry
No drama, no need for a show	I'll be alright
Just wanna say	And when you (23) a place to run to
I got you	For better for worse
Go (10) and say goodbye	I got you
I'll be alright	A place to crash
Go ahead and make me cry	I got you
I'll be alright	No need to ask
And (11) you need a (12) to run to	I got you
