

## Fill in the gaps

	You take my hand and drag me head first
There's something (1) the way	Fearless
The street looks when it's (2) rained	And I don't know why but (18) you I'd dance
There's a glow off the pavement	In a storm in my (19) dress
You walk me to the car	Fearless
And you know I (3) ask you to (4)	Well you stood there with me in the doorway
right there	My (20) shake
n the (5) of the parking lot	I'm not usually (21) way but
(Yeah)	You (22) me in and I'm a little more brave
We're driving down the road	It's the first kiss, it's flawless, really something
(6) if you know	It's fearless
'm trying so hard not to get caught up now	'Cause I don't know how it gets better than this
But you're (7) so cool	You take my (23) and drag me (24) first
Run (8) hands (9) your hair	Fearless
Absent mindedly making me want you	And I don't (25) why but (26) you I'd
And I don't know how it (10) better than this	dance
You (11) my hand and drag me head first	In a storm in my best dress
Fearless	Fearless
And I don't know why but (12) you I'd dance	'Cause I don't know how it gets better than this
n a (13) in my best dress	You take my hand and drag me head first
Fearless	Fearless
So (14) drive slow	And I don't know why but with you I'd dance
Till we run out of road in this one horse town	In a (27) in my best dress
wanna stay right here in (15) passenger's seat	Fearless
You put (16) eyes on me	
n this moment now captured, remembered	
Cause I don't know how it (17) better than this
