

Never wanna see you cry

Fill in the gaps

The night	I don't (6) lose you child
Relieves the day	I'll never say goodbye
When the night	All I need
Relieves the day	Is to be with you
You fill my days (1) laughter	Somewhere
You take away the strain	Somewhere we call home
There's a smile I'd forgotten	Somewhere we call home
But, you've put it there again	'Cause I don't wanna lose you
No, I don't (2) you	Never (7) see you cry (never
Never wanna see you cry	I don't wanna lose you child
I don't wanna (4) you child	I'll never say goodbye
I'll never say goodbye	All I need
All I need	Is to be with you
Is to be with you	Somewhere
Somewhere	Somewhere we (8) home
Somewhere we call home	Somewhere we call home
Now you said that I hurt you	I don't wanna lose you child
And left you far behind	No no no no
But you knew	I don't wanna lose you child
I'd (5) running	All I need is to be with you
I just hope	Somewhere we call home
That I'm in time	
'Cause I don't wanna lose you
