## SUB inglés

I am sure that you've moved on

And aren't thinking twice about me and you tonight

## Come Wake Me Up by Rascal Flatts

	Tonight your memory burns like a fire
can usually (1) you right off my mind	With every one it grows (2) and higher
But I miss you tonight	I can't get over it
I can normally push you right out of my heart	I just can't put out this love
But I'm too tired to fight	I just sit in these flames
Yeah the whole thing begins	And pray that you'll come back
And I let you sink in to my veins	Close my eyes tightly
And I feel the pain like it's new	Hold on and hope that I'm dreaming
Everything that we were everything that you said	I know that you're moving on
Everything that I did and that I couldn't do	I know I should give you up
Plays through tonight	But I keep (3) that you'll trip and (4)
Tonight your memory burns like a fire	back in love
With every one it grows higher and higher	Times not healing anything
And I can't get over it	Baby (5) pain is worse (6) it ever was
I just can't put out this love	I know (7) you can't (8) me but baby
I just sit in these flames	I need you to save me tonight
And pray that you'll come back	Tonight your memory burns like a fire
Close my eyes tightly	With every one it (9) higher and higher
Hold on and hope that I'm dreaming	I can't get (10) it
Come wake me up	I just can't put out this love
Turn the TV up loud just to drown out your voice	I just sit in these flames
But I can't forget	And pray that you'll come back
Now I'm all out of ideas	Close my eyes tightly
And baby I'm down to my last cigarette	Hold on and hope that I'm dreaming
Yeah you're probably asleep deep inside of your	Come wake me up
Dreams while I'm sitting here crying	(Oh) I'm dreaming come wake
And trying to see	Me up
Yeah wherever you are baby now	(Oh) I'm dreaming
