### As Long As You Love Me by Justin Bieber & Big Sean

	Give me a time and place
As (1) as you love me	I'll rendezvous it
As long as you love me	I'll fly you to it
As long as you love me	I'll beat you there
We're under pressure	Girl, you (16) I got you
Seven billion people in the world	Us, trust, a couple things I can't spell without you
Trying to fit in	Now we on top of the world
Keep it together	'Cause that's just how we do
Smile on your face	Used to tell me sky's the limit
Even though your heart is frowning	Now the sky's our point of view
But hey now, don't know girl	Man, we (17) out like (whoa oh God)
We (2) it's a cruel world	Cameras point and shoot
But I will (4) my chances	Ask me what's my best side?
As long as you love me	I (18) (19) and point at you, you
We could be starving	You the one that I (20) with
We could be homeless	Feel like I need a new girl to be bothered with
We (5) be broke	But, the grass ain't always greener
As long as you love me	On the (21) side
I'll be your platinum	It's green where you water it
I'll be your silver	So I know, we got issues
I'll be your gold	Baby, true, true
As long as you love	But I'd rather work on this with you
Love me, (6) me	Than to go ahead and start with (22) new
As long as you love	As (23) as you (24) me
Love me, (7) me	We could be starving
Love me, (7) me I'll be your soldier	We could be starving We could be homeless
	•
