

together

Fill in the gaps

We Are Never Ever Getting Back Together by Taylor Swift

I (1) when we broke up the first time	You go talk to (15) friends
Saying "This is it, I've had enough."	Talk to my friends talk to me
'Cause like we hadn't seen each other in a month	But we are (16) ever ever
When you said you needed space, what?	Getting (17) together
Then you come around to say	(Ooh yeah)
"Baby, I miss you I swear (2) gonna change"	(Ooh yeah)
Trust me	(Ooh yeah)
Remember how that lasted for a day	(Oh)
I say "I hate you," we break up	I (18) to (19) that we were forever
You (3) me, I love you	ever ever
(Ooh) We called it of again (4) night	And I used to say never say never
But (ooh)	So he calls me up and says "I (20)
This time I'm telling you telling you	(21) you"
We are never ever getting (5) together!	And I'm like I mean, this is exhausting, you know?
We are never ever getting back together!	We are never (22) back together
You go talk to (6) friends	Like ever
Talk to my friends, talk to me	No, we are never ever (23) getting back together
But we are never ever ever	We are never (24) ever getting back together
Getting back together	You go talk to your friends
Like ever	Talk to my friends talk to me
I'm really gonna miss you picking fights	But we are never ever (25) ever
And me falling forward screaming that I'm right	Getting back together
And you hiding (7) to find (8) piece of	We (ooh) (26) together
mind	We (ooh, oh) getting back together
With some	Yeah, you go talk to your friends
Indie Record that is much cooler (9) mine	Talk to my friends talk to me
(Ooh) you called me up again tonight	Talk to me, but we
But (ooh)	Are (28) ever ever ever
This time I'm (10) you I'm telling you	Getting back together
We are never ever (11) (12)	
back together	
We are (13) ever ever getting (14)
