

Fill in the gaps

The Howling by Within Temptation

We've been seeing (1) you wanted	They're (16) down the (17)
Got us cornered (2) now	(18) behind
Fallen asleep from our vanity	When we start killing
Might cost us our lives	It's all coming (19) right now
hear they're getting closer	From the nightmare we've created
Their (3) are sending chills (4) my	I want to be awakened somehow
spine	(I want to be awakened right now)
And (5) is running out now	When we (20) killing
They're coming down the (6) (7)	It all will be (21) down
pehind	From the hell that we're in
When we (8) killing	All we are is fading away
t's all coming (9) right now	When we (22) killing
From the nightmare we've created	When we start killing
want to be awakened somehow	I feel they're getting closer
(I want to be awakened right now)	Their (23) are sending chills (24) m
When we (10) killing	spine
t all will be (11) down	And (25) is running out now
From the hell, that we're in	They're (26) down the (27) from
All we are is fading away	behind
When we start killing	When we start killing
We've been searching all (12) long	It all will be (28) down
But there's no (13) to be found	From the hell that we're in
t's like (14) all have just vanished	All we are is (29) away
But I know they're around	When we start killing
feel they're getting closer	When we start killing
Their howls are (15) chills down my spine	When we start killing
And time is running out now
