

You say you don't know

Fill in the gaps

Where is the moment we needed the most		You tell me don't lie
You kick up the (1)	and the magic is lost	You work at a smile and you go for a ride
You (2) me your blue skies fade to grey		You had a bad day
You (3) me your passion's gone away		The camera don't lie
And I don't need no carrying on		You're coming back down and you really don't mind
You (4) in the (5) just to hit a new low		You had a bad day
You're faking a smile with the coffee to go		(Oh Holiday)
You tell me your life's been way off line		Sometimes the system goes on the blink
You're falling to pieces everytime		And the whole thing turns out wrong
And I don't (6) no carrying on		You might not make it back and you know
Because you had a bad day		That you could be well oh that strong
You're taking one down		And I'm not wrong
You sing a sad song just to turn it around		So where is the (9) when you need it the
You say you don't know		most
You tell me don't lie		(Oh) You and I
You work at a (7) and you go for a ride		You kick up the leaves and the magic is lost
You had a bad day		'Cause you had a bad day
The camera don't lie		You're taking one down
You're coming back down and you really don't mind		You (10) a sad song just to turn it around
You had a bad day		You say you don't know
You had a bad day		You tell me don't lie
You need a blue sky holiday		You work at a smile and you go for a ride
The point is they laugh at what you say		You had a bad day
And I don't need no carrying on		You've seen what you like
You had a bad day		And how does it feel for one more time
You're (8)	one down	You had a bad day
You sing a sad song just to turn it around		You had a bad day
