

Fill in the gaps

Where is the (1) we needed the most	You (20) me don't lie
You kick up the leaves and the magic is lost	You work at a smile and you go for a ride
You tell me your (2) skies (3) to grey	You had a bad day
You tell me your passion's gone away	The camera don't lie
And I don't need no carrying on	You're coming (21) down and you really don't mind
You stand in the line just to hit a new low	You had a bad day
You're faking a smile (4) the coffee to go	(Oh Holiday)
You tell me your life's been way off line	Sometimes the system goes on the blink
You're falling to pieces everytime	And the whole thing turns out wrong
And I don't need no (5) on	You might not make it back and you know
Because you had a bad day	That you could be well oh that strong
You're taking one down	And I'm not wrong
You sing a sad song (6) to turn it around	So where is the passion when you need it the most
You say you don't know	(Oh) You and I
You (7) me don't lie	You (22) up the leaves and the magic is lost
You (8) at a smile and you go for a ride	'Cause you had a bad day
You had a bad day	You're taking one down
The (9) don't lie	You sing a sad song (23) to turn it around
You're coming (10) down and you	You say you don't know
(11) don't mind	You tell me don't lie
You had a bad day	You work at a smile and you go for a ride
You had a bad day	You had a bad day
You need a (12) sky holiday	You've (24) what you like
The (13) is (14) laugh at what you	And how does it (25) for one more time
say	You had a bad day
And I don't (15) no (16) on	You had a bad day
You had a bad day	
You're taking one down	
You (17) a sad (18) to	
turn it around	
You say you don't know
