

Fill in the gaps

Where is the moment we needed the most	You tell me don't lie
You (1) up the leaves and the magic is lost	You work at a smile and you go for a ride
You tell me your blue (2) (3) to grey	You had a bad day
You tell me your passion's gone away	The camera don't lie
And I don't need no carrying on	You're coming back down and you really don't mind
You stand in the line just to hit a new low	You had a bad day
You're faking a smile with the coffee to go	(Oh Holiday)
You tell me your life's been way off line	Sometimes the (7) goes on the blink
You're falling to pieces everytime	And the whole thing turns out wrong
And I don't need no (4) on	You might not make it back and you know
Because you had a bad day	That you could be well oh that strong
You're taking one down	And I'm not wrong
You sing a sad song just to turn it around	So where is the passion when you need it the most
You say you don't know	(Oh) You and I
You tell me don't lie	You kick up the leaves and the magic is lost
You work at a smile and you go for a ride	'Cause you had a bad day
You had a bad day	You're taking one down
The camera don't lie	You sing a sad (8) just to turn it around
You're coming back (5) and you really don't mind	You say you don't know
You had a bad day	You tell me don't lie
You had a bad day	You work at a smile and you go for a ride
You need a blue sky holiday	You had a bad day
The point is they laugh at what you say	You've seen what you like
And I don't need no carrying on	And how does it feel for one more time
You had a bad day	You had a bad day
You're (6) one down	You had a bad day
You sing a sad song just to turn it around	
You say you don't know
