Fill in the gaps

Amazing Grace (9/11 Tribute) by The Jokerr

Amazing grace	Through (3) dangers
How sweet the sound	Toils and snares
That saved a wretch	I have already
Like me	Come
I (1) was lost	But it was grace (4) brought
But now I'm found	Me (5) thus far
Was blind but now	And grace (6) lead
I see	Me home
'Twas grace that taught	Then when we've been there
My (2) to fear	Ten thousand years
And grace my fears	Bright, shining as the sun
Relieved	We've no less (7) to (8) God's praise
How precious did	Than when
That grace appear	We (9) begun
The hour I first
