## I'll Be Waiting (Live) by Adele

And miles between us, the heavens cried

I know I left you speechless

## Fill in the gaps

•••		But now the sky has cleared and it's blue
Hold me closer one more time		And I see my future in you
Say that you love me in your last goodbye		I'll be waiting
Please forgive me for my sins		For you when you're ready to love me again
Yes, I swam dirty waters		I put my hands up
But you pushed me in		I'll do everything different
I've seen your face under every sky		I'll be better to you
Over (1) border and on every line		I'll be waiting
You (2) my heart more than I do		For you when you're ready to (8) me again
We (3) the greatest, me and you		I put my hands up
But we had time against us		I'll be somebody different
And miles between us		Time against us (time against us)
The heavens cried		Miles between us (miles between us)
I know I left you speechless		Heavens cried
But now the sky has cleared and it's blue		I know I left you speechless
And I see my future in you		Time against us (time against us)
I'll be waiting		Miles between us (miles between us)
For you when you're (4) to love me again		Heavens cried
I put my (5) up		I know I left you speechless
I'll do everything different		I know I left you speechless
I'll be better to you		But I'll be waiting
I'll be waiting		I'll be waiting
For you when you're ready to love me again		For you when you're ready to love me again
I put my hands up		I put my hands up
I'll be somebody different		I'll do everything different
Let me stay here for just one more night		I'll be better to you
Build (6) world (7)	me	I'll be waiting
You better pull me to the light		For you when you're ready to love me again
So I can tell you that I was wrong		I put my (9) up
See, I was a child then		I'll be somebody different
But now I'm willing to learn		I'll be better to you
But we had time against us
