

I know I left you speechless

Fill in the gaps

	But now the sky has (16) and it's blue
Hold me closer one (1) time	And I see my future in you
Say that you love me in your last goodbye	I'll be waiting
Please forgive me for my sins	For you when you're ready to love me again
Yes, I swam dirty waters	I put my (17) up
But you (2) me in	I'll do everything different
I've seen (3) face under every sky	I'll be (18) to you
Over (4) border and on every line	I'll be waiting
You know my heart more than I do	For you (19) you're ready to love me again
We were the greatest, me and you	I put my hands up
But we had time against us	I'll be somebody different
And (5) between us	Time (20) us (time (21)
The heavens cried	us)
I know I left you speechless	Miles between us (miles (22) us)
But now the sky has cleared and it's blue	Heavens cried
And I see my (6) in you	I know I (23) you speechless
I'll be waiting	Time against us (time (24) us)
For you when you're ready to love me again	Miles between us (miles between us)
I put my hands up	Heavens cried
I'll do everything different	I know I (25) you speechless
I'll be better to you	I know I (26) you speechless
I'll be waiting	But I'll be waiting
For you (7) you're ready to (8) me	I'll be waiting
again	For you when you're ready to love me again
I put my hands up	I put my (27) up
I'll be somebody different	I'll do everything different
Let me (9) here for just one more night	I'll be better to you
Build your (10) around me	I'll be waiting
You better pull me to the light	For you when you're ready to love me again
So I can tell you (11) I was wrong	I put my hands up
See, I was a (12) then	I'll be somebody different
But now I'm willing to learn	I'll be (28) to you
But we had time against us	
And (13) (14) us, the	
(15) cried
