

Fill in the gaps

__ fool

Didn't I (1) it all	Take it all with you
Tried my best	Don't look back
Gave you everything I had	At (13) crumbling fool
Everything and no less?	Just (14) it all
Didn't I do it right?	With my love
Did I let you down?	Take it all
Maybe you got too used to	With my love
By (2) me around	I (15) (16) if I must
Still how can you walk away	Slow it down and (17) it home
From all my tears?	I (18) adjust
It's gonna be an (3) road	(Oh) if only, if (19) you knew
Without me right here	Everything I do is for you
But go on and take it	But go on and (20) it (take it)
Take it all with you	Take it all with you
Don't (4) back	Don't look back
At this (5) fool	At this (21) fool
Just (6) it all	Just (22) it (take it)
With my love	Take it all with you
Take it all	Don't (23) back
With my love	At (24) (25)
Maybe I (7) leave	Just take it all
To help you see	With my love
Nothing is (8) than this	Take it all
And (9) is everything we need	With my love
So is it over?	Take it all
Is this really it?	With my love
You've (10) up so easily	
I (11) you (12) me more than	
this	
But go on and take it (take it)
