

Fill in the gaps

Until My Last Breath by Tarja Turunen

Cannot cry it loud enough	Wishes (8) crossing over
I'm (1) up this ghost	In this parade of pain
How can I (2) justify	Until my last breath
When you (3) my voice	You'll never know
In (4) nothing I'm not allowed	Until you feel the silence
I just follow alone	When I am gone
Words as weapons without a sound	Now it's vanishing
Echoes (5) unborn	Everything
Until my last breath	What we might have been
You'll never know	Only now your prays
Until you (6) the silence	Call my name
When I am gone	But you won't see again
Now it's vanishing	Until my last breath
Everything	You'll (9) know
What we might have been	Until you feel the silence
Only now your prays	When I am gone
Call my name	Now it's vanishing
But you won't see again	Everything
Who can change this memory?	What we might have been
Inside it needs to burn	Only now your prays
Worship by the enemy	Call my name
The guilty (7) their turns	But you won't see again
Watching as it's disappearing	
Shadows all that remain
