(10)_____ us down

Mama told me not to waste my life	And they can't detain you
She said spread your wings my little butterfly	'Cause wings are made to fly
Don't let what they say keep you up at night	And we don't let nobody bring us down
And if they give you shhh	No matter what you say it won't hurt me
Then they can walk on by	Don't matter if I fall from the sky
My feet, feet can't touch the ground	These wings are made to fly
And I can't hear a sound	I don't need no one saying
But you just (1) on running up your mouth,	yeah (Hey, hey, hey)
Walk, walk on over there	I don't hear no one saying
'Cause I'm too fly to care (oh yeah)	(Hey, hey, hey)
Your words don't mean a thing	You'd better keep on walking
I'm not listening	I don't wanna (6) your talking
Keep talking, all I know is	Boy'd, you'd (7) keep on walking
Mama told me not to waste my life	I don't (8) hear your talking
She said spread (2) (3)	my little Your words don't mean a thing

Don't let what they say keep you up at night	They're just like water off my wings

I'm firing up on that runway	No matter what you say it won't hurt me
I know we're gonna get there someday	Don't matter if I fall from the sky
But we don't need no ready steady go, no	These wings are made to fly
Talk, talk turns into air	And we don't let nobody (10) us do
And I don't even care (oh yeah)	No matter what you say it won't hurt me
