## That's My Name by Akcent

## Fill in the gaps

And you are the one that lights the fire
am the one who takes you higher
l lose my (1) when you say my name
That`s my name, that`s my name, that`s my name
And you are the one (2) lights the fire
I am the one who takes you higher
l lose my voice when you say my name
That's my name, that's my name, that's my name
(It's my name, it's my name, it's my name)
All the time I thought about you
saw your eyes and they were so blue
could read there just one name
My name, my name, my name
Because of you I`m flying higher
You (3) me love, you set on fire
You keep me warm when you call my name
That's my name, that's my name, that's my name
(And you are the one that (4) the fire
am the one who takes you higher
l lose my voice when you say my name
That's my name, that's my name, (5) my name)
And you are the one that lights the fire
am the one who (6) you higher
l lose my (7) when you say my name
That's my name, (8) my name, that's my name
(It's my name, it's my name, it's my (9)) x2
