

## Fill in the gaps

Hello, is (1)	_ anybody out there?	I know you can do it, come	on
I'm alone, hanging by a thread		Take me on	
Everywhere around the world		Save me, save me	
Everybody's waiting for someday		Save me, save me	
Calling out around the world		Hello, is there anybody out there?	
Maybe someday might be tonight		Calling out (6)	the world
Hook me up		Maybe (7)	_ might be tonight
I'm reaching out for you, come on		Hook me up	
Hook me up		I'm (8)	out for you, come on
I know you can do it, come on		Hook me up	
Take me on		I know you can do it, (9)	on
Are you there?		Take me on	
Tell me what you're feeling		Hook me up	
All your fears and all your (2) dreams		I'm (10)	on the line, come on
Everyone around the world		Hook me up	
Is feeling just the (3) way that we are		Make me come alive, come on	
Reaching out around the world		Take me on	
Will someone (4)	(5) me	Save me, save me	
a line?		Save me, save	
Hook me up			
I'm reaching out for you	u, come on
