

## Fill in the gaps

was walking around, just a face in the crowd	These days the stars seem out of reach
Trying to keep myself out of the rain	(Yeah)
Saw a vagabond king (1) a Styrofoam crown	But these (6) there ain't a ladder on the streets
Nondered if I might end up the same	(Oh oh, oh, oh)
There's a man out on the corner	These days are fast
Singing old (2) about change	Love don't (7) in this graceless age
Everybody's got their cross to bare, these days	Even innocence has caught the midnight train
She came looking for some shelter	And there ain't nobody left but us these days
With a suitcase full of dreams	(Oh oh, oh, oh)
To a motel room on the boulevard	I know Rome's still burning
guess she's trying to be James Dean	(Oh oh, oh, oh)
She's seen all the disciples	Though the times have changed
And all the wanna be's	(Oh oh, oh, oh)
No one wants to be themselves these days	This world kept turning round
Still there's nothing to hold on to but (3) days	And round and round
These days the stars (4) out of reach	These days
These days there ain't a ladder on the streets	These days the stars seem out of reach
(Oh no, no, no)	(Yeah)
These days are fast	But these (8) there ain't a (9) or
Nothing lasts in this graceless age	these streets
There ain't nobody left but us these days	(Oh no, no, no)
Jimmy shoes busted both his legs	These days are fast
Trying to (5) to fly	Love don't lasts
From a second story window	There ain't no time to waste
He just jumped and closed his eyes	There ain't nobody left to take the blame
His momma said he was crazy	(Oh no, no, no)
He said "Momma, I've got to try	There ain't nobody left but us these days
Don't you know that all my heroes died	There ain't nobody left but us these days
And I guess, I'd rather die than fade away	
Yeah)
