

# Fill in the gaps

I was walking around, just a face in the crowd	These days the stars seem out of reach
Trying to (1) myself out of the rain	(Yeah)
Saw a (2) king wear a Styrofoam crown	But these days there ain't a ladder on the streets
Wondered if I (3) end up the same	(Oh oh, oh, oh)
There's a man out on the corner	These (20) are fast
Singing old songs (4) change	Love don't lasts in this graceless age
Everybody's got their cross to bare, (5) days	Even innocence has caught the midnight train
She came looking for some shelter	And (21) ain't nobody (22) but us
With a suitcase full of dreams	these days
To a motel room on the boulevard	(Oh oh, oh, oh)
I (6) she's trying to be (7) Dean	I know Rome's still burning
She's seen all the disciples	(Oh oh, oh, oh)
And all the wanna be's	Though the times (23) changed
No one (8) to be themselves these days	(Oh oh, oh, oh)
Still there's nothing to hold on to but these days	This world kept turning round
These days the (9) seem out of reach	And round and round
These days (10) ain't a (11) on	These days
the streets	These days the stars seem out of reach
(Oh no, no, no)	(Yeah)
These (12) are fast	But these (24) (25) ain't a ladder on
Nothing lasts in this graceless age	these streets
There ain't (13) (14) but us these	(Oh no, no, no)
days	These days are fast
Jimmy shoes (15) both his legs	Love don't lasts
Trying to learn to fly	There ain't no time to waste
From a second (16) window	There ain't (26) left to take the blame
He just (17) and closed his eyes	(Oh no, no, no)
His momma said he was crazy	There ain't (27) (28) but us these
He said "Momma, I've got to try	days
Don't you know that all my heroes died	There ain't nobody left but us these days
And I guess, I'd (18) die than (19)	
away	
(Yeah)
