Drops Of Jupiter (Tell Me) by Train

Now that's she's back in the atmosphere
With drops of Jupiter in her hair (hey)
She acts like summer and walks like rain
Reminds me that there's time to change (hey)
Since the return from her stay on the moon
She listens like spring and she talks like June
(Hey hey)
But tell me, did you sail across the sun?
Did you make it to the Milky Way
To see the lights all faded
And that heaven is overrated?
Tell me, did you fall for a shooting star?
One without a permanent scar
And then you missed me
While you were looking for yourself out there?
Now that she's back from the soul vacation
Tracing her way (1)_____ the constellation (hey)
She checks out Mozart while she does Tae-Bo
Reminds me that there's room to grow (hey)
Now that she's back in the atmosphere
I'm afraid that she might think of me as
Plain ol' Jane told a story about a man
Who was too afraid to fly so he never did land
But tell me, did the wind sweep you off your feet?
Did you finally get the chance
To dance along the light of day
And head back to the Milky Way?
And tell me, did Venus blow your mind?
Was it everything you wanted to find?
And then you missed me
While you were looking for (2)_____ out there
Can you imagine no love, pride, deep-fried chicken
Your best friend always sticking up for you
Even when I know you're wrong
Can you imagine no first dance, freeze-dried romance
Five-hour (3)_____ conversation
The best soy latte that you ever had, and me?
But tell me, did the (4)_____ sweep you off your feet?
Did you finally get the chance
To dance (5)_____ the light of day
And (6)_____ back (7)_____ the Milky Way?
But tell me, did you sail across the sun?
Did you make it to the Milky Way
To see the (8)_____ all faded
And that heaven is overrated?
And tell me, did you fall for a shooting star?
One without a (9)_____ scar
And then you missed me
While you were looking for yourself?
(Na na na...)
And did you finally get the chance
To dance along the light of day?
(Na na na...)
And did you fall for a shooting star?
Fall for a shooting star?
(Na na na...)
And now you're lonely looking for yourself out there

Fill in the gaps

Answer

1. through
