Press your lips to the sculptures
And surely you'll (1)_____ (love like winter...)
Fire, sugar, and ice

He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From years before
She attails the mirror lace
I (2)_____ (3)_____ her, yesterday

With the lines in the mirror
Through the lipstick trace...
She said "It seems you're somewhere, far away..."

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She wanted love, I taste the blood
She bit my lip, and drank my warmth
From years before
From years before
