

## Fill in the gaps

### Love Like Winter by AFI

Warn you (1)\_\_\_\_\_ to turn away  
Here it's December, everyday  
Press your lips to the sculptures  
And surely you'll stay (love like winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From years before  
She attails the (2)\_\_\_\_\_ lace  
I (3)\_\_\_\_\_ dreamt her, (4)\_\_\_\_\_  
(yesterday...)  
With the lines in the mirror  
Through the lipstick trace...  
She said "It (5)\_\_\_\_\_ you're somewhere, far away..."

To his place"  
It's in the blood, it's in the blood  
I met my love, before I was born  
She wanted love, I taste the blood  
She bit my lip, and (6)\_\_\_\_\_ my warmth  
From years before  
From years before  
Love (7)\_\_\_\_\_ winter (Oh oh...)  
Love (8)\_\_\_\_\_ winter, winter... 3...4...  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From (9)\_\_\_\_\_ before  
From years before

## Fill in the gaps

Answer

1. once
2. mirror
3. barely
4. yesterday
5. seems
6. drank
7. like
8. like
9. years
