### Love Like Winter by AFI

Warn you once to turn away  
Here it's December, everyday  
Press your lips to the sculptures  
And surely you'll stay (love (1)\_\_\_\_\_ winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, (2)\_\_\_\_\_ I was born  
He wanted love, I taste the blood  
He bit my lip, and (3)\_\_\_\_\_ my warmth  
From years before  
From years before  
She attails the mirror lace  
I barely dreamt her, yesterday (yesterday...)  
With the lines in the mirror  
Through the lipstick trace...  
She said "It seems you're somewhere, far away..."

To his place"  
It's in the blood, it's in the blood  
I met my love, before I was born  
She wanted love, I taste the blood  
She bit my lip, and drank my warmth  
From years before  
From years before  
Love (4)\_\_\_\_\_ (5)\_\_\_\_\_ (Oh oh...)  
Love like winter, winter... 3...4...  
It's in the blood, it's in the blood  
I met my love, before I was born

He bit my lip, and (8)\_\_\_\_\_ my warmth  
From years before  
From (9)\_\_\_\_\_ before
