

Warn you once to turn away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love like winter)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, (1) I was born
He (2) love, I taste the blood
He bit my lip, and drank my warmth
From years before
From years before
She attails the mirror lace
I (3) (4) her
(5) (yesterday)
With the lines in the mirror
Through the lipstick trace
She said "It seems you're somewhere, far away

Fill in the gaps

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She (6) love, I taste the blood
She bit my lip, and (7) my warmth
From years before
From years before
Love (8) winter (Oh oh)
Love like winter, winter 34
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and (9) my warmth
From years before
From years before
