

Fill in the gaps

I never really (1) quite right I don't know why
All I know is something wrong
Every time I look at you, you seem so alive
Tell me how do you do it, walk me through it
I'm following every footstep
Maybe on your own you take a cautious step
Till (2) it up
But all I want is for you to shine
Shine (4) on me
Shine on (5) life that's burning out
I say a lot of things sometimes
That don't come out right
And I act (6) I don't know why
I guess a reaction is all I was looking for
Yeah
You looked through me
You really knew me
Like no one has ever looked before
Maybe on (7) own you take a cautious step
Till wanna give it up

But all I (8) is for you to shine
Shine (9) on me
Shine on this life that's (10) out
I know, I know, (11) you got something
Shine, shine it on to me
Shine down on me, I (12) it
Shine on this life that's (14) out
Maybe on your own you (15) a
(16) step
Till wanna (17) it up
But all I (18) is for you to shine
Shine down on me, just (19) me something
Shine on (20) life that's (21) ou
You (22) me (23) that
(24) know
• •
Shine, it's gonna (25) me if you (26)
Shine, it's gonna (25) me if you (26)
Shine, it's gonna (25) me if you (26) (27) away
Shine, it's gonna (25) me if you (26) (27) away Shine (yeaaah)
