So taken	I can't c-flat
So (1) _____ I (2) _____ never	It ain't my tone
let go	I can't fall back I came too far
Then sorrow	Hold myself up and love my scars
Then sickness	Let the bells ring wherever they are
Then the shock when you flip it on me	'Cause I was there saying
So hollow	In these promises broken
So vicious	Deep below
So afraid I couldn't let myself see	Each word gets lost in the echo
That I could never be held	So one (8) _____ lie
Back or up no	I can see through
I hold myself	This (9) _____ I finally let you go
Check the rep	No
Yep you know mine well	You can tell 'em all now
Forget the rest	I don't back up
Let them know my hell	I don't back down
There and back	I don't fold up and I don't bow
Yet my soul ain't sell	I don't roll over
Kept respect up	Don't know how
The best they fell	I don't care where the enemies are
Let the rest be the tale they tell	Can't be stopped all I know go hard
That I was there saying	Won't forget how I got this far
In these promises broken	For every time saying
Deep below	In these promises broken
Each word (3) _____ (4) _____ in the echo	Deep below
So one last lie	Each word gets lost in the echo
I can see through	So one last lie
This time I finally let you	I can see through
Go	This time I (10) _____ let you
Go	Go
Go	Go
Test my will	Go
Test my heart	Go
Let me tell you how the odds gonna stack up	Go
Ya'll go hard	Go
