

And I've come back

Fill in the gaps

Yeah	Unshaken
Yo	Let (14) and lived and let go
You (1) that	So you can let it be known
Foundation	I don't hold back I hold my own
Never gonna be (2) one, no	I can't be mapped
I followed	I can't be cloned
So taken	I can't c-flat
So (3) I could (4)	It ain't my tone
let go	I can't fall back I (15) too far
Then sorrow	Hold myself up and love my scars
Then sickness	Let the bells (16) (17)
Then the shock (5) you flip it on me	(18) are
So hollow	'Cause I was there saying
So vicious	In these promises broken
So afraid I couldn't let myself see	Deep below
That I could never be held	Each word gets lost in the echo
Back or up no	So one last lie
I hold myself	I can see through
Check the rep	This (19) I finally let you go
Yep you (6) mine well	No
Forget the rest	You can tell 'em all now
Let them know my hell	I don't back up
There and back	I don't (20) down
Yet my soul ain't sell	I don't fold up and I don't bow
Kept respect up	I don't roll over
The best they fell	Don't know how
Let the rest be the tale they tell	I don't care where the enemies are
That I was (7) saying	Can't be (21) all I know go hard
In (8) broken	Won't forget how I got this far
Deep below	For every time saying
Each word (10) lost in the echo	In these promises broken
So one last lie	Deep below
I can see through	Each word (22) lost in the echo
This time I finally let you	So one last lie
Go	I can see through
Go	This (23) I finally let you
Go	Go
Test my will	Go
Test my heart	Go
Let me tell you how the odds (11) stack up	Go
Ya'll go hard	Go
I go smart	Go
How's (12) working out for y'all in the back, huh?	Go
I've seen that frustration	
Been crossed and (13) and told no
