

And I've come back

Fill in the gaps

Yeah	Unshaken
Yo	Let down and lived and let go
You were that	So you can let it be known
Foundation	I don't hold back I hold my own
Never gonna be another one, no	I can't be mapped
I followed	I can't be cloned
So taken	I can't c-flat
So conditioned I could never let go	It ain't my tone
Then sorrow	I can't fall (6) I (7) too far
Then sickness	Hold myself up and love my scars
Then the shock when you flip it on me	Let the bells ring (8) they are
So hollow	'Cause I was there saying
So vicious	In these promises broken
So afraid I couldn't let myself see	Deep below
That I could never be held	Each word gets (9) in the echo
Back or up no	So one last lie
I hold myself	I can see through
Check the rep	This time I finally let you go
Yep you know (1) well	No
Forget the rest	You can (10) 'em all now
Let them know my hell	I don't back up
There and back	I don't back down
Yet my (2) ain't sell	I don't fold up and I don't bow
Kept respect up	I don't roll over
The best they fell	Don't know how
Let the rest be the tale they tell	I don't care where the enemies are
That I was there saying	Can't be stopped all I know go hard
In these promises broken	Won't forget how I got this far
Deep below	For every time saying
Each word gets lost in the echo	In these promises broken
So one (3) lie	Deep below
I can see through	Each word gets lost in the echo
This (4) I finally let you	So one last lie
Go	I can see through
Go	This time I finally let you
Go	Go
Test my will	Go
Test my heart	Go
Let me tell you how the odds gonna stack up	Go
Ya'll go hard	Go
I go smart	Go
How's (5) working out for y'all in the back, huh?	Go
I've seen that frustration	
Been crossed and lost and told no	

- 1. mine
- 2. soul
- 3. last
- 4. time
- 5. that
- 6. back
- 7. came
- 8. wherever
- 9. lost
- 10. tell
