

## Fill in the gaps

Iam	Turn your back like you always do	
Little bit of loneliness	Face away and (6) (7) I'm r	10
A little bit of disregard	But I'll be here	
A handful of complaints	'Cause you're all I got	
But I can't help the fact	I can't feel	
That everyone can see (1) scars	The way I did before	
I am, what I want you to want	Don't turn your back on me	
What I want you to feel	I won't be ignored	
But it's like	Time won't heal	
No matter what I do	This damage anymore	
I can't convince you	Don't (8) your back on me	
To just (2) this is real	I won't be ignored	
So I let go	Now, hear me out now	
Watching you	You're gonna listen to me	
Turn your back like you always do	Like it or not right now	
Face away and pretend that I'm not	Hear me out now	
But I'll be here	You're gonna listen to me	
'Cause you're all I got	Like it or not right now	
I can't feel	I can't feel	
The way I did before	The way I did before	
Don't turn your back on me	Don't turn (9) back on me	
I won't be ignored	I won't be ignored	
Time won't heal	I can't feel	
This damage anymore	The way I did before	
Don't turn your back on me	Don't (10) your back on me	
I won't be ignored	I won't be ignored	
I am, a little bit insecure	Time won't heal	
A little unconfident	This damage anymore	
'Cause you don't understand	Don't turn your back on me	
I do (3) I can	I won't be ignored	
But sometimes I don't make sense	I can't feel	
I am, what you never want to say	Don't turn your back on me	
But I've (4) had a doubt	I won't be ignored	
It's like no (5) what I do	Time won't heal	
I can't convince you	Don't turn your back on me	
For once just to hear me out	I won't be ignored	
So I let go		
Watching you
