

Watching you

Fill in the gaps

ı am	Turn your back like you always do
Little bit of loneliness	Face away and pretend that I'm not
A little bit of disregard	But I'll be here
A handful of complaints	'Cause you're all I got
But I can't help the fact	I can't feel
That (1) can see these scars	The way I did before
I am, what I want you to want	Don't turn (7) back on me
What I want you to feel	I won't be ignored
But it's like	Time won't heal
No matter what I do	This damage anymore
I can't convince you	Don't turn your back on me
To just believe (2) is real	I won't be ignored
So I let go	Now, hear me out now
Watching you	You're gonna listen to me
Turn your back like you always do	Like it or not right now
Face away and pretend that I'm not	Hear me out now
But I'll be here	You're gonna (8) to me
'Cause you're all I got	Like it or not right now
I can't feel	I can't feel
The way I did before	The way I did before
Don't (3) (4) back on me	Don't turn your back on me
I won't be ignored	I won't be ignored
Time won't heal	I can't feel
This damage anymore	The way I did before
Don't turn your back on me	Don't turn your back on me
I won't be ignored	I won't be ignored
I am, a little bit insecure	Time won't heal
A little unconfident	This damage anymore
Cause you don't understand	Don't turn (9) back on me
l do what I can	I won't be ignored
But sometimes I don't make sense	I can't feel
I am, what you never want to say	Don't turn your (10) on me
But I've never had a doubt	I won't be ignored
It's like no matter what I do	Time won't heal
I can't convince you	Don't turn your back on me
For once (5) to (6) me out	I won't be ignored
So I let go
