Why does it feel (1) night today?	(And watches everything)
Something in here's not right today	So you know that when it's time to (19) or swim
Why am I so uptight today?	That the face inside is watching you too
Paranoia's all I got left	Right (20) your skin
I don't know what stressed me first	It's like I'm, paranoid lookin' over my back
Or how the pressure was fed	It's like a, whirlwind inside of my head
But I know just what it (2) like	It's like I, can't stop what I'm hearing within
To have a voice in the back of my head	It's like the face inside is right beneath my skin
It's (3) a face that I hold inside	It's like I'm, paranoid lookin' over my back
A (4) that (5) when I close my	It's like a, whirlwind inside of my head
eyes	It's like I, can't stop what I'm hearing within
A face watches every time I lie	It's like the face inside is right beneath my skin
A face that (6) every time I fall	(The face inside is right beneath my skin)
(And watches everything)	(The (21) inside is right beneath my skin)
So I know that when it's time to sink or swim	(The face inside is right beneath my skin)
That the (7) is	The sun goes down
(9) me	I feel the light betray me
Right beneath my skin	The sun goes down
It's like I'm, paranoid lookin' over my back	I feel the light betray me
It's like a, (10) inside of my head	It's like I'm, paranoid lookin' over my back
It's like I, can't stop what I'm hearing within	It's like a, whirlwind inside of my head
It's (11) the face inside is right beneath my skin	It's like I, can't (22) what I'm hearing within
I (12) I've got a face in me	It's like the face inside is (23) beneath my skir
Points out all the mistakes to me	It's like I'm, paranoid lookin' over my back
You've got a face on the inside too and	It's like a, whirlwind inside of my head
Your paranoia's probably worse	It's like I, can't (24) what I'm hearing within
I don't know (13) set me off first	It's like I, can't stop what I'm hearing within
But I know what I can't stand	It's like I, can't stop what I'm hearing within
Everybody acts like the fact of the (14) is	It's like the face inside is right beneath my skin
I can't add up to (15) you can	
But everybody has a face that they hold inside	
A face that awakes (16) they close their eyes	
A face watches every (17) they lie	
A face that laughs every (18) they fall
