Fill in the gaps

Why does it feel like night today?	
Something in here's not right today	
Why am I so uptight today?	
Paranoia's all I got left	
I don't know what stressed me first	
Or how the pressure was fed	
But I know just what it feels like	
To have a (1) in the (2)	of my head
It's like a (3) that I hold inside	
A face that awakes when I close my eyes	
A face watches every time I lie	
A face that laughs every time I fall	
(And watches everything)	
So I know that when it's time to sink or swim	
That the face inside is hearing me	
Right beneath my skin	
It's like I'm, paranoid lookin' over my back	
It's like a, whirlwind inside of my head	
It's like I, can't stop what I'm hearing within	
It's like the face inside is right beneath my skin	
I know I've got a face in me	
Points out all the mistakes to me	
You've got a face on the inside too and	
Your paranoia's probably worse	
I don't know what set me off first	
But I (4) what I can't stand
