

Fill in the gaps

When you were standing in the wake of devastation	You build up hope but failure's all you've known
When you were waiting on the (1) of the unknown	Remember all the sadness and frustration
And (2) the cataclysm raining down	And let it go
Insides crying, save me now	Let it go
You were there, impossibly alone	Let it go
Do you feel (3) and lost in desperation	Let it go
You build up (4) but failure's all you've known	Let it go
Remember all the sadness and frustration	Let it go
And let it go	Do you (10) cold and lost in desperation
Let it go	You build up hope but failure's all you've known
And in a burst of light that (5) every angel	Remember all the sadness and frustration
As if the sky had (6) the heavens into stars	And let it go
You (7) the gravity of tempered grace	Let it go
Falling into (8) space	
No one there to catch you in their arms	
Do you feel (9) and lost in desperation
