

## Fill in the gaps

I am (1) to realize	But I feel like this has been made for me
I can do nothing on my own	Is (7) something more that I can say?
Everything that I start to build, crumbles	But your ways are different and call out to me
Into nothing	No matter what I do, you always stay the same
It's (2) to say that no matter what	And I will have the choice to say
I try and fall so short	There is more to this life I'm living
This unrelenting break	There is more
Continues to widen the space	There is more
Between you and I	And during the (8) of struggles
Is there any (3) in (4) to	I'm finding the man
change?	You've combed me to be
No matter what I do, It (5) stays the same	Your love reminds me
But I feel like this has been made for me	That though I am broken
Is there something more (6) I can say?	I am still standing, I'm still screaming
All I want, is to let go	Is there any point in trying to change?
I've tried so hard, this pride still grows	No matter (9) I do, It always stays the same
Just for once to breathe in deep	And I will have the choice to say
And can't juggle after what you say at me	There is more to this life I'm living
So many years of sorrow and gray	There is more to this (10) I'm living
The bitterness I taste is things left to fray	There is more to this life I'm living
How can I forget the joy of the mountaintops?	
Down in the valleys	
Is there any point in trying to change?	
No matter what I do, It always stays the same
