The Downfall of Us All by A Day To Remember

	Meet me out past the train tracks
Let's go!	I'm leaving and not coming back
	You're right and I was wrong
It's not easy making a name for yourself	This town will be the downfall of us all
Where do you draw the line?	Don't forget yourselves we've (6) up our minds
I never thought I'd be in this far	We signed 3, 4, 5 on that dotted line
Let's have fun some and never change that for anyone	Don't forget yourselves we've made up our minds
Try not to miss me when I'm gone	We signed 3, 4, 5 on that dotted line
	You won't find me in the same spot (7) me
I sold my soul to the open road	I could never stop, my life's turned upside down
You won't find me in the same spot believe me	Meet me out past those train tracks
I (1) never stop, my life's turned upside down	I'm leaving and not coming back
Meet me out (2) the train tracks	You're right and I was wrong
