And leave behind the emptiness

Fill in the gaps

Keep The Lights On by Close Your Eyes

Everything that I despise	That (6) me in the dark
Consumes me when I close my eyes	That holds me in the dark
I don't know if I can change the way I feel	I hope you can hear me
Despite the light that you have shone	I'll keep singing (7) song
The (1) has become what I know	Even if there's no air left
And I am fighting to find my way out of it	And dirt fills up these lungs
I am trying so (2) to forget	Please keep the lights on
This constant aching feeling that stirs inside my chest	I am trying to make it home
The fear in me always (3) me down	The sun is sinking
The guilt I feel will not let me get up again	But I won't go down with it
I'm crushed by the weight	Please (8) the lights on
I was younger then, careless and innocent	I am trying to make it home
I never (4) my words could mean so much	The sun is sinking
But I am (5) now, I should be screaming out	But I won't go (9) with it
So why is it that I keep my mouth shut?	The sun is sinking
Why do I try so hard to forget	The sun is sinking
The forgiveness that is in your hands	The sun is sinking
And the mercy in your words?	I won't go down with it
You are calling me to seek you and find rest
