

### Fill in the gaps

### Keep The Lights On by Close Your Eyes

Everything that I despise	That (18)
Consumes me (1) I close my eyes	That holds me
I don't (2) if I can change the way I feel	I hope you ca
Despite the (3) that you (4) shone	I'll keep singir
The (5) has become what I know	Even if there's
And I am (6) to (7) my way	And dirt fills u
out of it	Please keep t
I am trying so hard to forget	I am trying to
This constant (8) feeling (9) stirs	The sun is sir
inside my chest	But I won't go
The fear in me always drags me down	Please keep t
The (10) I feel (11) not let me get up	I am trying to
again	The sun is sir
I'm crushed by the weight	But I won't go
I was younger then, careless and innocent	The sun is sir
I never thought my words could mean so much	The sun is sir
But I am (12) now, I (13) be	The sun is sir
screaming out	I won't go dov
So why is it that I (14) my mouth shut?	
Why do I try so (15) to forget	
The (16) that is in your hands	
And the (17) in your words?	
You are calling me to seek you and find rest	
And leave behind the emptiness
