Keep The Lights On by Close Your Eyes

| Everything that i despise | That holds me in the dark |
|------------------------------------------------|-------------------------------|
| Consumes me (1) I close my eyes | That holds me in the dark |
| I don't know if I can change the way I feel | I hope you can hear me |
| Despite the light that you have shone | I'll keep singing this song |
| The dark has become what I know | Even if there's no air left |
| And I am fighting to find my way out of it | And dirt fills up these lungs |
| I am trying so (2) to forget | Please (8) the lights on |
| This constant aching feeling that stirs (3) my | I am trying to make it home |
| chest | The sun is sinking |
| The fear in me always (4) me down | But I won't go (9) it |
| The guilt I feel will not let me get up again | Please keep the lights on |
| I'm crushed by the weight | I am trying to make it home |
| I was younger then, careless and innocent | The sun is sinking |
| I never (5) my words could mean so much | But I won't go down with it |
| But I am older now, I should be screaming out | The sun is sinking |
| So why is it that I (6) my mouth shut? | The sun is sinking |
| Why do I try so hard to forget | The sun is sinking |
| The forgiveness that is in your hands | I won't go down with it |
| And the mercy in your words? | |
| You are calling me to seek you and find rest | |
| And leave (7) the emptiness | |
