And we just, and we just, and we just

| And we just get up and go!               |
|--|
| (Who) they want you to be                |
| (Who) they wanted to see                 |
| (Go) kill the (10) with me               |
| And never go home                        |
| (Who) (11) want you to be                |
| (Who) (12) wanted to see                 |
| Just leave the party with me             |
| And never go home                        |
| You're unbelievable                      |
| (Ah) so unbelievable                     |
| (Ah) you ruin everything                 |
| (Oh) you better go home                  |
| I'm unbelievable                         |
| Yeah, I'm undefeatable                   |
| Yeah, let's ruin everything              |
| Blast it to the back row                 |
| They sell presentable                    |
| Young, and so ingestible                 |
| Sterile and collectible                  |
| Safe, and I can't stand it               |
| This is a letter my word                 |
| Is the berretta                          |
| The sound of my vendetta                 |
| Against the ones who planned it          |
| If my velocity starts to make you sweat  |
| Then just don't let go                   |
| 'Cause the emergency room got no vacancy |
| Tell me who do you trust, do you trust   |

And we just
