That you only hear the music

Fill in the gaps

The Kids From Yesterday by My Chemical Romance

And now (1) could be	When your heart begins to break
The last of all the rides we take	Now we are the (8) from yesterday
So hold on tight and don't look back	
We don't care about	Today, today
The message or the rules they make	We are the kids from yesterday
We'll find you when the sun goes black	Today, today
And you (2) to (3) forever	We're young the world stopped breathing
In the lights you make	Yeah, we left 'til your heart stops beating
When we were (4) we used to say	We are the kids from yesterday
That you only hear the music	Today
When your heart begins to break	'Cause you wanna live forever
Now we are the (5) from yesterday	In the lights you make
	When we were young we used to say
All the cameras (6) the accidents	That you only hear the music
And stars you hate	When (9) heart begins to break
They (7) care if you can bleed	Now we are the kids from yesterday
Does the television	We are the kids from yesterday
Make you feel the pills you ate?	We are the (10) from yesterday
Or every person that you need to be	We are the kids from yesterday
'Cause you wanna live forever	Today, today
In the lights you make	
When we were young we used to say
